2024 Ballarat Gold SC Meet
Club Timekeeper Lane Allocation

The smooth running of this Meet is reliant on Volunteer Timekeepers. Your assistance in this matter is greatly appreciated. Please can all clubs listed below ensure that, unless otherwise specified, they have supplied **TWO** timekeepers to the correct lane at an appropriate time to cover the relevant Events.

Timekeepers should be ready to take their seats immediately prior to the conclusion of warm up for the first session. Timekeepers should take their seats 5 minutes prior to the commencement of the second session after the morning break. Please listen carefully for the starting time of the second session since this could be subject to change on the day of the meet. Timekeepers should bring their own water bottle and snacks as required. All Timekeepers should record their name, club and time period they were on duty in the Timekeeper log for their lane (in the clipboard).

Please note that all times listed are subject to change on the day – please be aware of what Event is in the water in relation to your Timekeeping shift.

Please see our Chief Timekeeper, Belinda if there are any issues on the day of the Meet.
