Close of Meeting:

Thank You Thank You Thank You!

A HUGE thank you to our wonderful GOLD family and in particular to the amazing team of coaches who have guided and supported our swimmers throughout the 2024/2025 season headed by coach Mark Stahl.

Thank you to our current coaches: Mark Stahl, James Meddings, Chris Gladman, Julia Howe, Dayne Schnyder, Claudia Lanyon, Jack Bennetts and Nick Belleville, as well as those who have also helped coach during the year: Abbey Pierce, Addie Schiemann, Mark O'Callaghan, Mark Urquhart, Kim Bush, Josh Stahl and Cooper Sutherland.

We are forever grateful to Sue Stahl for all that she does to support the club and Stahlie behind the scenes. Families play such a huge role in the progress of the club and the development of the swimmers and this is so very appreciated.

To our dedicated Technical Officials, who support our swimmers and Gold events: Kevin Carolan, Julian Cofield and Celina Scott.

To Jo Peters, for the mammoth work involved as our meet coordinator/ race secretary. Jo's knowledge and drive ensures these events are a true success time and again. Your ongoing commitment is limitless, and we are beyond grateful.

To our partners at the RAD Centre. Your training and support of these incredible athletes on their journey is truly valued by the swimmers and the Gold family as a whole.

To MDASA for their ongoing support, including providing so many of swimmers with the opportunity to represent their district.

To the City of Ballarat (BALC), Ballarat Grammar School and Ballarat Clarendon College, for their ongoing support and use of their facilities throughout the season.

To everyone who has served on the 24/25 Ballarat Gold Committee and your families, thank you for the generosity of your time and dedication that keeps our Club ticking along and moving in a positive direction where team is paramount and drive is supported.

And not forgetting the many parents of Gold swimmers who generously help out at Swim Meets and other events with timekeeping, marshalling and the numerous other jobs required to run a Meet.

And most especially to our Sponsors. We are so very grateful to the many generous supporters of our club.

We look forward to working together again in 2025-2026. GO GOLD!

Please see the end of this booklet for a list of our wonderful Sponsors

President's Report

What a year it has been for Ballarat Gold! Our swimmers have not only achieved impressive improvements in their race times, but also shown real growth in their approach to training and in their understanding of what is required to continue progressing on their swimming journey. This commitment has translated into wonderful results, with strong qualification numbers and outstanding performances at country, state, and national events.

A real highlight was seeing our club so strongly represented at both the Long Course and Short Course Country Championships, with more than 50 swimmers competing. Even more impressively, 14 of these swimmers went on to proudly represent Ballarat Gold at the National Championships.

Beyond the performances in the pool, we also made a deliberate effort to involve our swimmers more directly in the idea development of the club. The committee wanted to ensure that as decisions were being made, the voices of our swimmers were heard. From this commitment, the "Swimmers' Voice" initiative was born. Although still in its early stages, it has already provided valuable insights into what is working well and where improvements could be made. Excitingly, we have already actioned some of these ideas, including the return of the swim camp, the development of intra-club competition, and more opportunities for younger and older swimmers to connect.

As this was my first year as both President and committee member, I am especially grateful to our committee team. Their knowledge, experience, and tireless support have been invaluable. I have quickly learned that while there was much I didn't know coming in, when you are surrounded by good people, great things happen. The unseen hours and behind-the-scenes work this group contributes is truly inspiring and ensures our club continues to grow and improve.

To our coaches—thank you. You set the standards and foster the enjoyment that together create the environment our swimmers need to thrive. Both are essential, and your dedication ensures our swimmers can be their very best.

All of these efforts, both in and out of the water, culminated in Ballarat Gold being named among the top ten swimming clubs in Victoria. This is an achievement we can all be proud of, and a reminder of what can be accomplished when we work together. I'm a firm believer in celebrating the good stuff—so congratulations to everyone for your role in this fantastic recognition.

Treasurer's Report

The 2024/2025 financial year has been a busy one for the Club, and as I only really took the reigns almost six months into it, I would firstly like to acknowledge the efforts of our last Committee, who, on top of their existing roles, managed the Club finances as well for the latter half of 2024. Your exceptional efforts in keeping the Club moving forward during this time did not go unnoticed.

Our Memberships continued to be strong this year, with the need for additional Coaches to assist with the squad program. This came with additional costs to the Club, and while the Committee did implement a fee price rise in term 1 to buffer these costs, they will need to continue to monitor the squad income versus training costs closely, to ensure our fees remain affordable but as cost-neutral as possible.

You will note that our Gross Profit (Total Trading Income) for the FY was solid, finishing at \$178,127.59. Revenue from holding swim meets was down on last year due to unavoidably holding one less Meet than usual, while grants and sponsorships were also down compared to previous years. On a positive note, Membership income was high, sitting at \$16,539.17.

Our unprecedented operating costs of \$203,757.52 resulted in an overall loss for the Club of \$25,629.93, however some of these costs involved necessary investments which will benefit the Club in the long term, such as training and development of our coaching team and the use of outside specialist consultants to advise on strategic planning and ongoing compliance for our Club. Our financial position moving forward is definitely not doom and gloom and with \$98,295.64 still in total Equity, I feel confident in the Club's ability for further financial growth in the future.

With Ballarat Gold's income exceeding \$150k, we needed to register with the ATO for GST compliance. This took longer than hoped, but thanks to the assistance of our Bookkeepers at EpicBiz Solutions, Ballarat Gold is now up to date with GST obligations.

Employing more Coaches than we've had previously, this year also saw the introduction of the payroll program Employment Hero, which is now streamlining our Coach payroll and timesheet management. A huge thanks to external Human Resources Consultant, Bridie Bell, who has been an amazing support in getting this tool up and running for us. The use of Employment Hero will make a huge difference to our Club payroll management moving forward and I am very excited to have it up and running.

Lastly, after a number years on and off the Committee in a number of different roles, it is time for me to say farewell. I wholeheartedly thank each and every person I have worked with in this fantastic Club, particularly Stahlie, who continues to make Ballarat Gold the inclusive, fun and family oriented Club it is today.

Head Coach's Report

It has certainly been a very interesting and challenging 12 months for Ballarat Gold, both from the growth of our Coaching Group and the expansion of our Squads. With this growth there are certainly many inherent challenges, but nothing that cannot be handled in a respectful and productive manner at Ballarat Gold. The continual influx of new members, the growth and change of our squad personnel, our varied training venues and the implications that has posed for our Club has seen us all look at how we do things with the aim of always trying to be positive and encouraging to all members of this Family Orientated Club.

On the whole, the swimmers acquitted themselves exceptionally well in season 2024-2025, with many Personal Bests swum, lots of improvement shown in their techniques and plenty of Top Three placings at many Swim Meets.

Some of our highlights for the season are the continuing strength of our Relay Teams across all levels of competition, which is great for the future competitiveness of our Club, both internally for spots and externally against other teams. Secondly, the number of swimmers who qualified for Country, State and National Championships this year. Thirdly, our 4th place at this year's LC Country Championships which meant for the 5th successive year running a TOP 4 PLACING. Fourthly, our 3rd year running of finishing in the TOP 10 of ALL VICTORIAN CLUBS in terms of performances at STATE and NATIONAL MEETS. A positive sign that our programs are on the right path, which is a credit to the commitment and dedication of the swimmers, parents, coaching staff and committee.

Special mention to –

LONG COURSE NATIONALS : Ed Meddings (Age), Zoe Schnyder (Age/Open), Cooper Sutherland (Age/Open), Dayne Schnyder (Open), Isla Ho (Age), Claire Mathison (Age/Open), Ollie Kallio (Age/Open), Jack Lanyon (Age/Open), Miller Stott (Age), Marley Sutherland (Age), Matt Mace (Age), Tom Costello (Age), Elle Cofield (Age), Ollie McCormack (Age) who all competed at Nationals (Age and Open) this season. It was great to be involved in this journey with these swimmers and their families. All swimmers represented our club with honour, pride and distinction. A very proud coach.

We had seven Finals at LC Nationals – 2 for Jack Lanyon, 1 for Ollie Kallio, 1 for Ed Meddings, 1 for Zoe Schnyder, 1 for Marley Sutherland and 1 for Ollie McCormack.

SHORT COURSE NATIONALS: Sarah Howe, Zoe Schnyder, Cooper Sutherland, Dayne Schnyder and Anna Leighton, who competed at Short Course Nationals this season. It was great to be involved in this journey with these swimmers and their families.

10 Finals at SC Nationals – 6 for Sarah and 4 for Anna plus a BRONZE MEDAL for SARAH in the 200m FREE – HOW COOL THAT WAS!!!!

OPEN WATER NATIONALS IN BUSSELTON WA: Congratulations to both Marley and Cooper Sutherland who competed at these Championships in January this year. Marley did a BRILLIANT job in both the 5km (8th place) and 7.5km (16th place). Battling jellyfish, Marley performed so courageously and came away with a sub 1hr for the 5km which was exceptional. Cooper did a

great job in the 5km (11th place) considering it was only a last minute decision to compete. Well done to the Sutherland family on a great team effort.

Thanks to my son, Joshua, who worked with and supported our National Age and Open swimmers through their experience. His ability to interact with these swimmers in such a positive and calm manner added greatly to the success of these two campaigns.

Thanks to Tracey Ho for your support and help with the swimmers at various meets, which was greatly appreciated by all involved.

WHAT A GREAT ASSET YOU ARE TRACEY!!!

To everyone who swam very well at State Short Course and Long Course Championships where a number of Personal Bests, Finals and Medals were achieved by our swimmers.

To all those BALLARAT GOLD swimmers who represented our Club so fantastically well at Country LC, State Sprints and All Juniors both in the pool and in the way you supported each other made everyone at the Club very proud of you and your efforts.

I would like to congratulate all of our swimmers who competed during the season, but may not have made a final but who tried their best and/or swam a P.B. It is not about finals or medals (which are nice), but doing and being your best, both in and out of the pool, which you all do exceptionally well. Your time will come, just keep training hard, listening carefully to your coach and most of all enjoy yourselves. Hopefully, this will be the incentive for all of our swimmers to challenge their efforts in training, both in and out of the water and push their own boundaries in the upcoming 2025-2026 season.

Throughout the year we have had solid numbers at training both of a Morning and with our Night Time Squads. Of a Morning we had an average of 13+ swimmers per session and at Night we had an average of 16+ swimmers at the 50m pool and 17+ swimmers training at the Grammar pool.

It is important that each individual has a consistent training regime for positive and permanent development and improvement to occur in the pool. Short bursts of training spasmodically throughout the season will not see a sustained progression over the course of the season.

The talent within our Squads is obvious. But one thing we need to remember as a team is that talent alone doesn't bring or guarantee success. We need a positive growth mindset and a consistently high work ethic to add to our talent base, which will then give each swimmer the chance to reach their full potential. This is something that we all need to buy into which will be a great driving force for the upcoming 2025-2026 season.

With our Morning and Night Sessions the swimmers and coaches have followed a training program that outlined the skills to be covered on that night, which is going well due to the quality instruction offered by all coaches in a very balanced and organized manner.

To our great band of coaches – Josh Stahl, James Meddings, Abbey Pierce, Julia Howe, Chris Gladman, Jack Bennett, Nick Belleville, Claudia Lanyon and Dayne Schnyder – thank you for the work that you have done and are doing with our band of swimmers in such a caring and professional manner, week in week out.

The rapport and enthusiasm that all of our coaches have shown and continue to show to all the swimmers is a credit to their commitment and dedication to provide each swimmer with the best possible opportunity to improve their swimming and to become a better person.

As I said previously, it has been a challenging time due to colds, injuries, other sports, growth of squads, challenges with getting pool space, etc. which has had a huge impact on our swimming growth. But I would like to say that the way that everyone adapted and dealt with the many and varied challenges that has been presented to us and will continue to be there, has been BRILLIANT. The way our Ballarat Gold Committee have worked tirelessly to keep everyone connected and informed through meetings, updates, constant messages on Team App has been MAGNIFICENT. May we all continue to be active, flexible, considerate and obliging while our SUPER GOLD COMMITTEE in consultation with the COACHING PANEL, continue to guide us through these challenging and exciting times ahead.

Not only with what our Ballarat Gold Committee has done throughout this period 2024-2025, I would also like to thank the COMMITTEE for your constant commitment to the development of our club. Without your efforts the positive growth of Ballarat Gold would surely not be where it is today. Things like organising our Country, State and National swimmers, ordering and supplying us with our uniforms and caps, the Gold SC/LC Swim Meets and the general day to day runnings of the Club would not be possible. I thank you on behalf of all the coaches, swimmers and families of the Ballarat Gold Swim Club for your initiative, dedication and passion this season.

I thank everyone that I have had the pleasure of working with this season and I wish you all the best with the challenges that lay ahead of this great Club in the upcoming 2025-2026 season. There will be plenty and I wish everyone all the best! Go Gold!

Yours in swimming,

Mark V. Stahl

Ballarat Gold Swimming Club Inc. Championship Awards

Ballarat Gold Swimming Club was first started in 1998 by Peter Pay. Since this time the Club has steadily grown and prospered due to the hard work of the Committee and the Coaching staff.

In 2007 the Club Champion Awards were first commenced. The Junior Club Champion Perpetual Trophy is named after Pam Toom, Pam is the Clubs longest serving member and in 2011 was made a Life Member. The Club Champion Award was named after Peter Pay, the Club Founder.

With the introduction of a new sponsor in 2014 and the growth of the club, the committee was compelled to review the club awards resulting in changes to the awards and their age criteria. The Peter Pay Award was changed to 12 to 15 Year Old Club Champion and the Mark Stahl Award began for 16 & Over Club Champion.

JX Swimmers:

MSAC - March 2025

Swimming Australia's Junior Excellence (JX) program (established in 2007) recognises the performances of swimmers aged 9-13 Years to encourage and inspire the next generation of competitive swimmers.

Swimmers strive to achieve gold, silver, bronze or blue standard times when they compete throughout the year, with swimming clinics offered to support development. The ambassador is

Dolphin Jack McLoughlin

Each year Swimming Australia releases the JX criteria and standards for the forthcoming season.

[Swimming Australia - Junior Excellence](#) will take you to the standards used to select JX swimmers for this past and future seasons.

JX results are now live, so when a swimmer achieves a standard they or their parent will receive an email alert notifying them of this achievement
